COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents:

In the Notice of Allowability dated November 18, 2004, the Examiner enumerated reasons why various of the pending claims were patentable over the prior art references of record in this case. While Applicants agree that the pending claims are patentable over the prior art references, they understand that the Examiner was only stating one reason for allowance of each of the pending independent claims, and believe that the independent and dependent claims are patentable for additional reasons as well that were not indicated by the Examiner.

Respectfully submitted,
